

## **Radiography Admission Requirements**

---

The following prerequisite courses are required for all applicants and must be completed with a grade of C or better. In addition, the combined grade point average of all prerequisite coursework must average to 3.0 or better. If you have any concerns or question please contact a member of the faculty.

Using the drop down arrows, select the letter grade for each course as well as the credits. All areas marked in blue can be manipulated.

The final GPA will be displayed in the bottom right of the form.
