Schools of Medical Imaging**

**Radiography Program
FAQ's**

Do I need a college degree? Yes, a minimum of an AA is required, or you must be enrolled in an affiliated program. Any degree type or major is accepted.

Do you have advanced placement or an accelerated program for international students who have completed a radiography program outside of the United States? Unfortunately, we do not have an accelerated or advanced placement program. International degrees will be expected to complete the program's degree requirement if an evaluated transcript indicates a degree.

When is the application deadline? December 31st

When does the program start? The first week in June

How long is the program? The full-time program is 18-months and the part time program is 23-months

Do I need to take any classes before I apply? The following prerequisite courses are required for all applicants and must be completed at a regionally accredited institution with a grade of C or better. In addition, the combined grade point average of all prerequisite coursework must average to be 3.0 or better. We do not use weighted GPAs.

- Human Anatomy & Physiology I (4 credit course with lab)
- Human Anatomy & Physiology II (4 credit course with lab)
- Medical Terminology (3 credit course)
- English Composition (3 credit course)
- College Algebra (3 credit course)
- Interpersonal Communications or Speech (3 credit course)

Where can I take the prerequisites courses? Any regionally accredited college or university.

Is there a GPA requirement? The GPA requirement is related only to the prerequisite course.

Are there any required entrance exams or standardized tests? No

What does a weekly schedule look like?

- The 18-month program is Monday through Thursday, 8-4:30p and Friday, 8-12p
- The 23-month program is Tuesday through Thursday, 8-4:30p and Friday, 8-12p for the semesters one through three and Tuesday through Friday 8-4:30p for the fourth semester.
- Clinical rotations change every two weeks. There is one rotation that is 10-6:30p. After the first five months, a few 1-9p rotations will be scheduled.

Are there nights and weekends? No, you will not be scheduled for rotations on the weekends or holidays. You will have a few 1-9 rotations.

Is there an online program or asynchronous options? There are currently no online or asynchronous options.

Where are the classes held? Classes are at 111 Market Place, Suite 830, Baltimore MD, 21202.

What are the tuition and fees?

- Application fee: \$40.00 (non-refundable)
- Background Check: \$52.00 (only for accepted students)
- Tuition: \$10,000.0
- CPR Certification: \$40.00: non-refundable
- Technology fee: \$150.00: non-refundable upon matriculation (one time)
- Clinical Lab fees: \$150.00 per clinical semester (3 times per 18-month programs and 4 times for the 23-month program)
- Uniforms: Approximately \$300.00
- Books: \$700.00 Radiography
- Total Radiography 18-month program: \$11,732.00
- Total Radiography 23-month program: \$11,882.00

Do I need any volunteer experience or any healthcare experience? No experience is needed

Do you offer housing? Unfortunately, as a hospital-based program, we do not offer housing.

Do I need a car? Yes, you do need a car because some of the clinical sites are not accessible by mass transit.

Do you have to pay for parking? Yes, there are parking fees at JHH, Bayview and the school. Street parking is also available, but you assume all risk.

Do you need health insurance? Yes

Are there scholarship opportunities or financial aid? We do not participate in Federal Financial Aid. If you are currently enrolled in a University we are affiliated with, you are eligible to continue your federal financial aid through your home institution. Some students apply for education loans through Sallie Mae. Two scholarships are awarded at the midpoint of the program.

Do you accept international students? We accept students who have been issued a permanent resident card.

How many students get jobs after graduation? 100% of students who seek employment after graduation are employed
